Spot length: 30 - seconds
Title: "Harvest starts here."
Producer: TBD
Music: Dealer/Producer choice

Today's Ag producers know success doesn't start when
harvesting their crops. Successful crop production starts with the right seedbed
preparation, precise fertilizer application, and the best planting equipment available.

Harvest starts with Great Plains innovative products.

At Great Plains we've engineered the systems today's successful Ag producer's need to
maximize yields. To learn about Great Plains yield maximizing systems, visit
