---

Farmers looking for a true vertical tillage tool that can run at high speeds and size residue without ridging are turning to the new Great Plains Turbo-Max™. The Turbo-Max is the vertical tillage tool for all seasons. It allows the operator to hydraulically adjust gang angles to deliver the desired residue coverage. See the all-new Turbo-Max from Great Plains at **(insert dealer name)** in **(insert city)** today. Or visit them at [www dot \(insert web address; spell out if necessary\) dot com](http://www.(insert web address; spell out if necessary).com). **(Insert dealer name)** and Great Plains. "HARVEST STARTS HERE."
