

TRUE VERTICAL TILLAGE

MORE TO THE MAX

10 MODELS RANGING FROM 8.5' TO 48'

We've raised the bar again with more Turbo-Max options!

- **NEW** hydraulic tongue eases front-to-back leveling
- **NEW** hydraulically adjustable finishing reel prepares the optimal seedbed
- **NEW** sizes ranging from 8.5' to 48' matches individual needs
- Hydraulically adjust gang angles from 0 to 6 degrees on the go
- Add Turbo-Seeder™ to select models for single-pass cover crop application
