</table>

**DESCRIPTION:**

As mentioned, the table above lists various parts and assembly details for the Flatliner 500. Each row represents a different part, including its part number, description, quantity, and comments.

For instance, the first row details an adapter male-male ½" BSP, with 11 units. Each subsequent row follows a similar pattern, providing comprehensive information about each component needed for assembly.

**ASSEMBLY ISSUE**

<th>DESCRIPTION</th>
</tr>
</thead>
</table>

**NOTE:**

- The table above is extracted from the operating instructions document for the Flatliner 500. It serves as a crucial reference for users to assemble and maintain the machinery effectively.
